Bioelectricity: A Quantitative Approach Robert Plonsey and Roger C. Barr The study of electrophysiology has progressed rapidly because of the precise, delicate, and ingenious experimental studies of many investigators. This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. A SUCCESS STORY. This website accompanies The Science Coalition's Sparking Economic Growth reports. Each of the three reports highlights a different set of companies created from federally funded university research, totaling 302 companies to date.
