

Download What Is Research Question Definition

The old scientist came to us with a really exciting research proposal that we green lit immediately and without question. Choose the Right Synonym for question. Verb. ask, question, interrogate, query, inquire mean to address a person in order to gain information. ask implies no more than the putting of a question. Research comprises "creative and systematic work undertaken to increase the stock of knowledge, including knowledge of humans, culture and society, and the use of this stock of knowledge to devise new applications." Marketing Research. Managers need information in order to introduce products and services that create value in the mind of the customer. But the perception of value is a subjective one, and what customers value this year may be quite different from what they value next year.
