Yosemite Dreaming: Postcard Book What a wonderful treat when I received the Yosemite Dreaming: Postcard Book. Yosemite is one of my favorite places and to see such beautiful pictures really made my day. Looking forward to more Yosemite postcards. Yosemite Dreaming: Postcard Book What a wonderful treat when I received the Yosemite Dreaming: Postcard Book. Yosemite is one of my favorite places and to see such beautiful pictures really made my day. Looking forward to more Yosemite postcards. The postcards with the fog in the Yosemite Valley are lovely. I ordered two sets of Harold Davis postcards at the same time. The other set is all black & white photos, and I thought the matte finish and images were not shown at their best. Yosemite is one of the most visited national parks, with scenery that is world-renowned. Photographer Harold Davis has explored Yosemite for years with his camera, finding the best vantage points and most photogenic times of year.
